Physical and mental wellbeing are at heart of Fun Foxes enrichment

Mornings at Fun Foxes

- Please ring the bell and enter via the main school door.
- The children can choose a range of activities including sport, craft or a game.
- For some children leaving parents can be a challenge; our ELSA trained staff have all the skills required to ensure that children age 4 to 11 can be supported in their wellbeing and have time to understand themselves.
- Children have access to the outdoors at all times.
- Our staff are all Early Years trained. During every session there will be activities designed to meet the curriculum needs of our youngest pupils.
- Staff will take children directly to their classes for the start of the day.

Fun Foxes 3.15-4.30pm

- Owls and KS1 children will be brought to Fun Foxes by a member of staff and will be registered.
- KS2 children will take themselves to Fun Foxes and be registered.
- Every class will have a list of Fun Foxes children which is updated on a daily basis. Children are reminded that they are attending Fun Foxes, as part of the end of the day routine.
- All coats, bags and lunchboxes will be brought by the child to Fun Foxes.
- Every child will have a biscuit, drink and fruit.
- Every child will have the opportunity of completing the "Activity of the day" – this can be anything from craft to cookery. All children will have a say in the planning of these activities.
- Craft activities will be available at all times.
- Every child will have the opportunity to take part in a PE session; this will be led by one of our sports coaches.
- If your child is at a school club, they will be brought to Fun Foxes by the staff member running the club.
