

Egg by Sue Hendra and Paul Linnett

This brilliant book is all about eggs.... But could it be about something else? How about bananas? Look at the page where we first meet the eggs

Draw your own version using bananas. You will need to draw eyes and arms and legs on each banana and show the last banana looking a bit different.

Banana	Banana	Banana	Banana	Banana	Banana	BANANA!
--------	--------	--------	--------	--------	--------	---------

Can you think of a different fruit or vegetable to use? Draw and label your own picture of 7 fruits or vegetables here, with the last one looking different.
